Thunderbolts and Lightning

One of the most difficult duties of a disciple is to follow the command of Jesus to spread the gospel to all nations. (Lk 24:47, Mk 116:15, Mt 28:19) I think one reason may be that we don't feel we have the authority to tell someone else what to believe. Most of us don't think we know the gospel well enough to preach it. The gospel this Sunday mentions twice that Jesus taught with more authority than any of religious leaders of Israel. So how can we get such authority?

First, Jesus didn't threaten people with thunderbolts and lightning. He certainly didn't impress people by saying what they wanted to hear. He spoke the truth that he heard from his Father. His two main actions in his ministry were curing and forgiving people. Since the Jews thought sickness was a punishment for sins, by curing the sick and forgiving sins, Jesus showed that he got authority from his Father.

How do we get that authority?" We get it from the Holy Spirit, in Baptism and Confirmation. And like an athlete who has to work-out and practice to be any good, we still need to grow in that authority. One way is to read the scriptures and pray with them, so that we get to know God through his Word and begin to listen to him in our prayers. We can consciously decide to see God in other people, not just those we love, but everyone, even the ones who annoy us. And of course, the Eucharist and other sacraments strengthen God's life in us. You'll know you have that authority when you can talk about your faith with confidence instead of hesitation, because you will be speaking from experience, not second hand knowledge.
