This is a Test

I used to wonder how God could lie to Abraham about sacrificing his son Isaac. But the story begins by telling us God put Abraham to the test. Abraham himself seems to know it's a test. Apparently, I'm the only one fooled by God.

I don't know if I would have passed the test. I would have at least argued with God about it, begging him to spare my son. Yet in our second reading, St. Paul reminds us that God did not spare his own son. (Rom 8:32) He passed his own test. Jesus was sacrificed so that God could show us how much he loved us. If God loves us so much that he gives his Son to die for us, why would he not forgive us? He doesn't. But he is still testing us. What does that tell us about life? You may have noticed that things don't always go your way. Does that mean those tragedies are our fault? No, God gives everyone free will and some people choose to do wrong. God intervenes sometimes and lives are saved. Other times, God intervenes by saving us after death with our resurrection. As long as people doubt God's love, there will be tests. That's why it is so important to proclaim the Kingdom: so that someday all people will know God's love and not need to be tested.

The Light is On for You!

St. John Church along with other churches in our Diocese, will open for confession on Wednesday nights during Lent.

Remaining dates at St. John are February 28, March 7 & March 21. Confessions will be heard in church from 6:00 pm-7:00 pm. The PSR students will be present for confessions on February 28 and March 7.

Sacrament of Reconciliation

"Even if you do not confess, God is not ignorant of the deed, since he knew it before it was committed. Why then do you not speak of it? Does the transgression become heavier by the confession? No, it becomes lighter and less troublesome. And this is why he wants you to confess: not that you should be punished, but that you should be forgiven; not that he may learn your sin—how could that be, since he has seen it?—but that you may learn what favor he bestows. He wishes you to learn the greatness of his grace, so that you may praise him perfectly, that you may be slower to sin, that you may be quicker to virtue. And if you do not confess the greatness of the need, you will not understand the enormous magnitude of his grace."

The St. Vincent de Paul Community Pharmacy is a beacon of hope that our Church provides to those in need of life-sustaining medical prescriptions. We ask individuals this Lenten season to consider supporting the pharmacy through prayer, volunteerism and financial support, if possible.

We invite our parishioners to use the bottles provided or remove the label from any empty prescription bottle at home and bring it to church with a monetary gift inside. This bottle can be placed in the container in the rear of church which will remain through Easter Sunday.
